A global digital suite for your event

a global digital suite for your event

conflr virtual - the virtual platform dedicated to virtual and hybrid events

as a participant browse easily through the program, interact with sponsors/exhibitors, start a discussion in the virtual c@fé. If you missed one of the amazing live presentations, watch the replay anytime

as a presenter you will interact with participants during live sessions, use the Q&A module to follow up after the presentation, continue the conversation in the virtual c@fé, and receive feedback with the survey

as a sponsor you have a unique opportunity to showcase your company and/or products through a fully customizable platform and chat with participants

as an organizer, a team of events professionals will be assigned to your project. You will have access to information, such as participants connected, number of people who watched any presentations, questions asked, and much more

event management has never been so easy

a complete solution to manage all aspects of your events
• program
